Occupational Therapy

BSc (Hons) Occupational Therapy

For those students with a passion for helping people with physical, mental or social difficulties, a career in occupational therapy is an exciting, varied and highly rewarding career. Despite what people think it is not just about caring for the elderly and can require support for people of all ages and from all walks of life.

- One of the longest-established Occupational Therapy Schools in the country
- Over 75 years of teaching experience
- Compulsory placements on each year of the course with the University
- 10th in the UK and Top 5 for Student Satisfaction (Complete University Guide, 2017)
- Affiliated by the World Federation of Occupational Therapists
- Links with Hong Kong Polytechnic and JAMK University, Finland
- Purpose-built facilities on campus including a daily living suite.

The University has been awarded

The highest standard in the
Teaching Excellence Framework.

Nursing

Our Nursing degrees have been carefully designed to produce safe and effective nurses who embrace the highest standards of professional conduct and ethical practice. You will be introduced to a range of care settings to familiarise yourself with emerging patterns of care and allow you to choose a specialist area.

Whichever specialist area you choose you will have the opportunity to gain practical experience in a range of healthcare settings such as hospitals, the voluntary sector and other health and social care organisations within Northamptonshire and Buckinghamshire.

The Faculty of Health and Society has a purpose-built hospital ward where you can learn and develop your clinical skills prior to your placements.

The new curriculum is based on the Nursing and Midwifery standards for education 2018.

BSc (Hons) Adult Nursing **BSc (Hons) Child Nursing** **BSc (Hons) Mental Health Nursing**

- Leads to Nursing and Midwifery Council (NMC) registration
- 50/50 split between theory and practice
- Training within our new clinical skills unit with immersive hyper-real simulation equipment
- Opportunity to complete work placement in UK or selected international destinations.

Practical learning through work placements

**3G sports pitch at
new Waterside Campus**

**Study on one of the UK's most
modern and technologically advanced
campuses!**
