# Welcome to UNIC.

I would like to extend a very warm welcome and I am delighted that you are considering UNIC and the University of Northampton for your degree studies in the UK.

UNIC will provide you with a quality educational experience, underpinned by practical and study skills that will ensure you are ready to achieve your full potential on your chosen university degree. We have a dedicated team of academics and support staff to ensure you become a confident and independent learner ready to succeed at the university and beyond.

At UNIC we believe in creating a safe, friendly and caring environment where there is a great understanding of the needs of international students. As the majority of our modules are taught here in the college we can monitor your progress closely and give ourselves a better understanding of your individual needs. Part of our commitment to you is to provide you with all the tools to be successful in your new environment, both academically and socially.

Welcome again to UNIC and, together with all of the staff here, I look forward to helping you achieve your academic and career goals.

**Craig McIlwain**  
**College Director/Principal**

# Welcome to the University of Northampton.

**I would like to welcome you to the University of Northampton and our international college UNIC. UNIC offers unique opportunities to access the undergraduate and postgraduate courses on offer at the University of Northampton.**

We are an award-winning university dedicated to making sure you receive an excellent experience that will enhance your life skills, knowledge and employability. In 2017, the UK government awarded the University of Northampton Gold in the Teaching Excellence Framework after judging that our undergraduate programmes deliver consistently outstanding teaching, learning and outcomes for students, and are of the highest quality.

Whatever your motivation for choosing to come and study in the UK, your time at UNIC and your progression to the University of Northampton will allow you to experience superb teaching, work placements and volunteering opportunities that equip you with practical skills that will benefit you for the rest of your life.

I wish you every success and look forward to welcoming you to Northampton.

**Professor Nick Petford DSc  
Vice Chancellor,  
The University of Northampton**

 [@nick\\_petford](https://twitter.com/nick_petford)

# Why choose UNIC?

**UNIC is an Associate College of the University of Northampton, offering academic pathways to a number of undergraduate and postgraduate degrees at the University of Northampton. UNIC provides you with a personalised start to UK education with smaller class sizes and a supportive learning environment to prepare you for your UK studies. With our dedicated staff team and committed lecturers and academics, UNIC gives you the best possible platform for academic and personal success.**

There are three intakes per year giving you the flexibility to start your studies at a suitable time for you. There are three types of pathways on offer, Foundation, First Year and Pre-Master's and each of these will be explained in this guide including a list of courses available. There is also the option for you to do Pre-sessional English at the university if you do not have the English language qualifications to join UNIC directly.

Although you will be starting your studies at UNIC, you will still have full access to the huge range of facilities that the University has to offer. This includes the Students' Union, library, careers advice, computer facilities and a huge range of sports and social clubs.

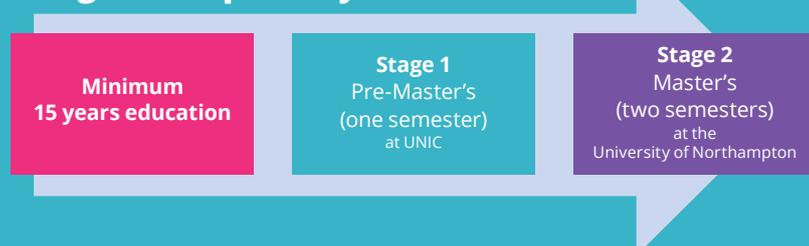

## Benefits

- Full University of Northampton access
- Smaller class sizes
- Personalised learning – extra support from lecturers available
- On campus location
- All Foundation and Pre-Master's modules taught in the college
- Flexible entry options
- Full-time Student Services Team just for UNIC students
- Accommodation guaranteed for over 18s in UNIC official halls of residence.

## Undergraduate pathway

## Postgraduate pathway

# Your future starts here.

**The University of Northampton offers more than just an excellent degree. The University's global reputation for welcoming change and producing graduates with exceptional employability, combined with academic excellence, makes Northampton the number one choice for your future and for your career.**

The University is consistently ranked among the best universities for providing graduates with the skills and experience needed in today's highly competitive world of employment. In 2017 the University was awarded Gold – the highest possible mark – in the Government's Teaching Excellence Framework (TEF) based on their outstanding teaching and learning outcomes for students. The TEF is a league table where universities, colleges and private providers are judged on the quality of the education they provide. It is based on a number of factors including level of employment, academic support and student experience. It means the University's teaching and outcomes for undergraduate courses are officially the highest quality found in the UK.

Everything you do at the University of Northampton has been specifically designed by academic and industry experts to prepare you for a successful career. The University boasts some exceptional links to industry, particularly to global companies within the automotive, fashion, leather and shoe-making sectors. Guest speakers, industry visits and the opportunity to experience industry related 'live' projects are regular features of many of Northampton's courses.

Artist's impression of Interior Atrium in the Learning Commons Room at the new Waterside Campus, opening 2018.

The University has won a number of awards for its commitment to helping society, something it calls “social impact.” What really matters to us is making sure you have the opportunity to make your mark in the world too, both as a student and when you graduate. That is why it was the first university in the UK to be named a ‘Changemaker Campus.’ This honour sees the University join an exclusive network of only 37 colleges and universities around the world. So if you are interested in starting your own enterprise then the University of Northampton could be the platform you need. More information can be found at [ashoka.org](http://ashoka.org).

In September 2018 the University will be opening a brand new £330m campus – Waterside. The University understands that you want the very best, and that’s what the Waterside Campus will offer. Situated in the town centre it will provide academic facilities for 15,000 students as well as accommodation options and social facilities. It has been designed to provide you with everything you will need to live and learn and become your home-away-from-home as you enjoy one of the best and most fulfilling experiences of your life. Choose Northampton for your UK studies and you will be one of the first students through the doors of the Waterside campus.

Teaching  
Excellence  
Framework

---

**“Based on the evidence available, the TEF Panel judged that the University of Northampton delivers consistently outstanding teaching, learning and outcomes for its students.**

**It is of the highest quality found in the UK. ”**

Official judgement by the Government’s TEF review.

---

# #IamUNIC

**Life at UNIC and the University of Northampton will provide you with everything you need as a student and more. Located on campus there is a strong sense of community and a friendly campus atmosphere. Students can study in the social learning spaces at UNIC or use any of the university facilities they require.**

UNIC has its own location on campus with modern classrooms, a learning technology suite, student services and a social learning common room all-purpose built just for UNIC students. The campus is easily accessible and buses run regularly throughout the day and are free between campuses and the accommodation. Campus amenities include a range of coffee shops, a bar, newly refurbished restaurant, fully-equipped library, sports facilities and 24 hour computer rooms. There is also a shop and hotel on-site.

## **Orientation and Enrolment**

UNIC's orientation programme begins at the very start of each semester. It is a great opportunity for you to make new friends and meet staff at the college. During this time you will also find out important information on university procedures and settle into your UK studies. We also do lots of fun social activities alongside the University of Northampton to ensure your first few weeks are ones to remember.

## **Students' Union**

The University of Northampton has an active Students' Union that UNIC students automatically become a part of upon enrolment to the college. It is one of only two Students' Unions in England to offer FREE sports and societies to all students and with over 70 to choose from there is sure to be something to suit you. The Students' Union is staffed by a number of full-time officers, many of whom were University of Northampton students themselves.

### UNIC social events

As well as the activities and events run by the Students' Union, the UNIC Student Services Team also organise their own social events. From film nights to paintballing, day trips and sports activities there is always something to enjoy in your free time. Many are free but we sometimes charge a small fee for transport depending on the location.

### Student voice

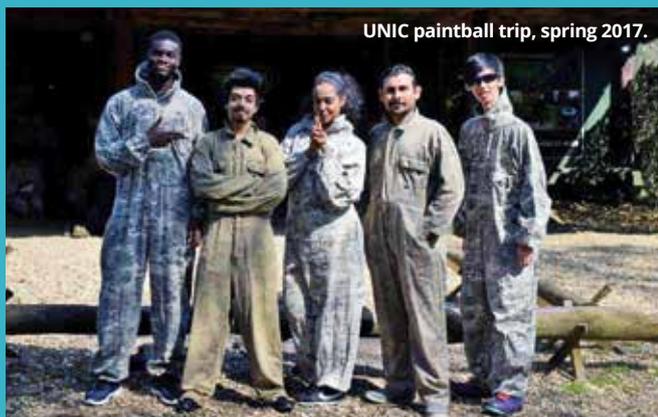

As a UNIC student your voice matters and your experience is very important to us. There are a number of opportunities both formally and informally throughout the year for you to provide the college with feedback. There is also the opportunity to become a Student Representative. These are elected at the beginning of each semester. We also have a student run magazine for you to get involved in.

### Career guidance

Through the University's Centre of Employability and Engagement you will receive all the support you need to develop the professional and personal skills needed to be successful within your chosen career path. Careers advice, CV checks, mock interviews, workshops, work placement support and regular networking with local employers are all available for you to access. With this great service you can be sure the University of Northampton can help you to enhance your employability skills before you graduate.

## Fun fact

**There is even a Harry Potter Society run by the Students' Union!**

UNIC paintball trip, spring 2017.

“The trips and activities offered by the UNIC Team are a great way to make friends and settle into UK life. The paintballing trip was my personal favourite as it was something different and so much fun! We laughed the whole day!”

Sharifa Kheir, Saudi Arabia, LLM International Commercial Law.

# Northampton: the beautiful, beating heart of the UK.

**Northampton is located in the very centre of England, approximately one hour on the train from central London and Birmingham and also close to the cities of Oxford and Cambridge. Served by five international airports and excellent road and rail links, it is the perfect location to live, study and explore.**

With stunning countryside, a bustling town centre and some of the country's most impressive stately homes and estates; Northampton has everything you could need to start your student life in the UK.

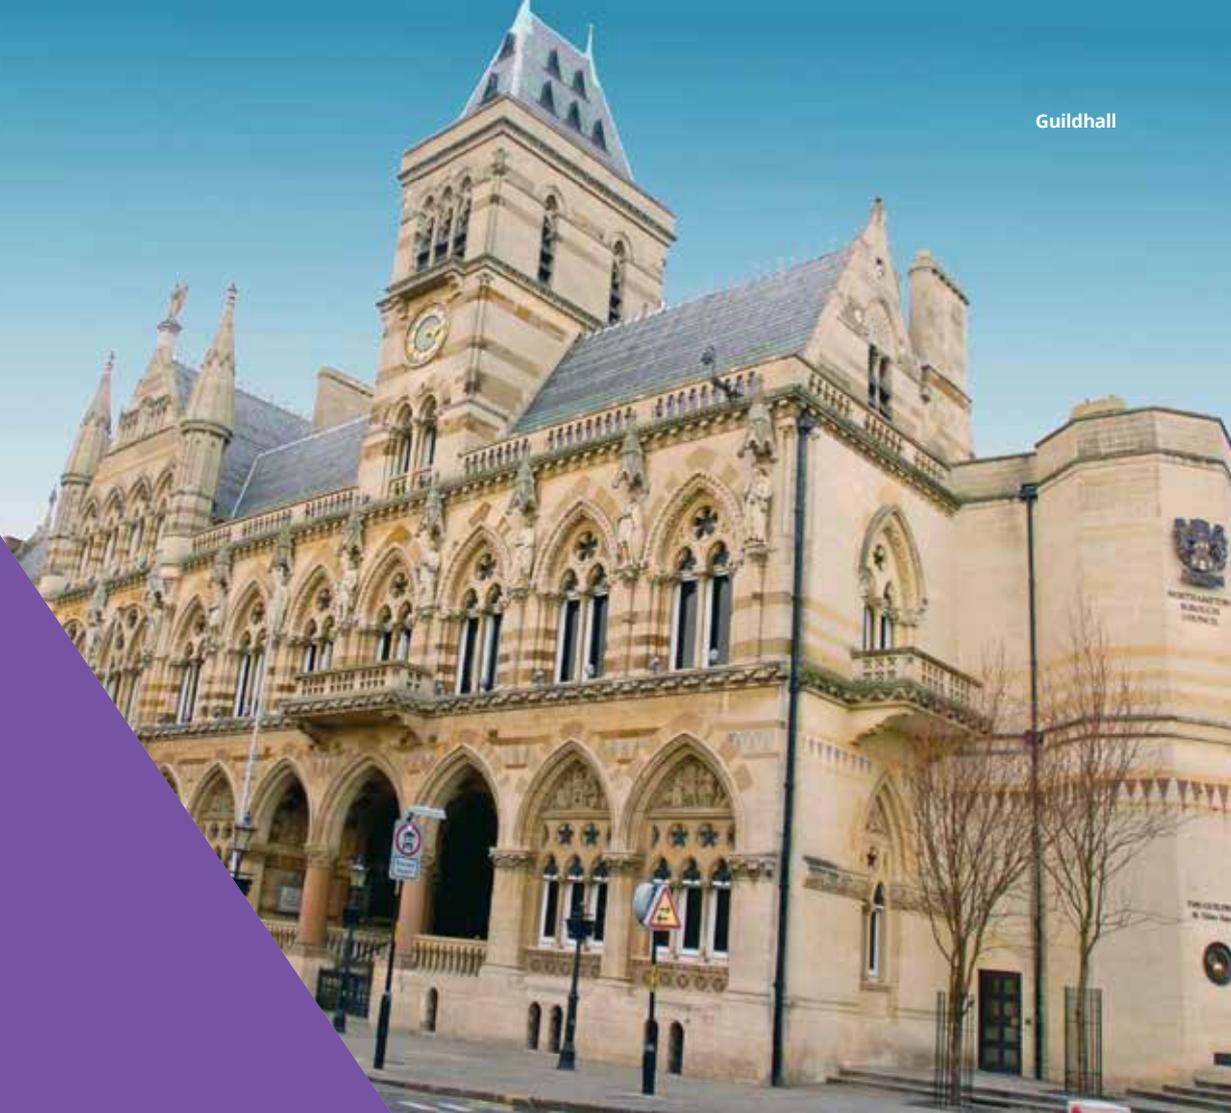

Renowned for shoe-making since the middle ages, Northampton has a rich history and is home to some of the world's top shoe manufactures including Church's and Dr Martens. It is home to the world's largest collection charting the history of shoes housed in the town's 'Shoe Museum.' Aside from shoes, other global businesses such as Amazon, Barclaycard and Avon also have head offices in Northampton.

#### **More for your money**

Living costs in Northampton are lower than many other UK cities making student life far more affordable. In fact, overall living costs are 50% lower than London.\* This means you can save more money to make your study experience as cost-effective as possible or you can spend the extra money on one of the many awesome nearby attractions.

Northampton Marina.

### Shopping paradise

If you love to shop then Northampton is the place to be. The town centre has two shopping centres, well-known UK department store Debenhams, as well as H&M, Primark and all your high-street fashion favourites. You can even visit the Dr Martens shoe factory outlet, the place to pick-up the famous boot at a highly discounted price. Northampton is also just fifty minutes from designer outlet, Bicester Village, the place to buy massively reduced luxury brands such as Gucci, Prada and Jimmy Choo.

### Things to do

Whether you enjoy sport, music, country walks or evenings out, Northampton has so much choice. The town is home to an Aviva Premiership rugby team, a purpose-built athletics stadium, cricket ground and football stadium. The Royal and Derngate is one of the UK's most respected regional theatre venues and hosts major UK productions from musicals to comedies, ballet and opera. Festivals are a big part of local life. The Northampton Town Musical Festival, The Northampton Carnival, The Balloon Festival and various food and drink festivals run throughout the year.

Discover why Northamptonshire is Britain's best surprise by going to [northamptonshiresurprise.com](http://northamptonshiresurprise.com). The website promotes the county's many attractions, stately homes, churches, restaurants and events that showcases the depth of what Northampton has to offer as a place to live and visit.

\* Expatistan.com

### Did you know?

- Direct train to Birmingham International airport in under one hour
- Home to the Silverstone motor racing circuit where you can watch the British Formula 1 Grand Prix
- Just one hour to central London by train
- Many famous bands and artists have played at Northampton music venues including Jessie J, Olly Murs, Oasis and Biffy Clyro
- Visit nearby Althorp House the family home and now resting place of Diana, Princess of Wales
- Northampton has a number of international supermarkets and a diverse range of restaurants from Thai to Vietnamese, Indian to Chinese. You will never be far from a little taste of home.

# Foundation courses.

**A UNIC Foundation is an excellent choice if you're not yet qualified for direct entry to the University of Northampton. UNIC offer a wide range of Foundation options that enable you to get an exceptional start to your studies and fully prepare you for onward progression to the University of Northampton. You will receive one visa and one offer letter for the duration of your studies at UNIC and the University.**

**Cost:** £9,800

**Duration:** 2 semesters

**Intakes:** September, January and May

Please see the website for exact intake dates for each course.

**“ UNIC has given me the best possible start to my UK studies by providing a friendly and supportive environment. The lecturers and staff always inspire and motivate us to achieve our goals. ”**

\* To be referred to as 'BA (Hons) Criminal and Corporate Investigation' from September 2018.

“Being a student at the University has not only been a fantastic experience but has created career opportunities. The knowledge and personal skills I gained led to a successful Internship at Aston Martin Lagonda and they have since offered me full-time employment.”

Gunnar Barth, BSc (Hons) Leather Technology graduate

## BSc (Hons) Leather Technology. Northampton's unique, flagship course.

**Do you want to spend your career working with the luxury high-end manufacturers and designers of shoes, handbags, clothes, furniture or even sports car interiors? Do you want to get paid to travel the globe with some of the world's most famous and iconic brands?**

### Course highlights:

- Only course of its kind in the UK and Europe
- On-site tannery and laboratories
- Shortage of graduates with leather knowledge
- Optional annual study trip to Italy\*
- Tailor the course to suit your strengths and interests
- Links with top industry brands including Aston Martin, Church's and Burberry
- Opportunities to attend international leather fairs in Hong Kong, Milan and Shanghai\*

\* Additional cost and visa (if applicable) not included in course fees.

If the answer is yes then the University of Northampton's unique and world famous BSc (Hons) Leather Technology is for you. The only course of its kind in the UK and Europe, Leather Technology is taught by industry experts and professionals. The skills and expertise developed in this degree are so specialist that students often get job offers before even graduating!

This UNIC pathway provides a complete preparation for entry into the leather industry, which includes companies in the sports, luxury goods, footwear, automotive and fashion sectors. Graduates are in high demand as the course involves a large proportion of practical experience in the university's own on-site teaching tannery and laboratories. The close relationship with industry means that you will frequently be working with senior executives from leading brands, many of whom will themselves be graduates of the programme.

This innovative and exciting degree is based around a backbone of advanced leather technology but alongside this you can choose whether you want to specialise in Marketing, Business or Leather Science so you can tailor your interests and chosen career path.

# BA (Hons) Fashion courses.

Ignite your passion for fashion!

**For those interested in working in the fascinating fashion industry, the University of Northampton offers more than just a qualification. Their unique links to the footwear and leather industry, teamed with bespoke facilities and exceptional work experience opportunities make it the place to kick-start your fashion career.**

In the  
**Top 100**  
fashion schools  
in the world  
(CEOWORLD Magazine, 2017)

As a location, Northampton is world-famous for footwear and has a long and prosperous heritage of shoemaking. It is home to some of the most elite, internationally renowned footwear brands including Church's and Dr Martens. Northampton also has well-established links with the leather industry, being the only university in the UK with a teaching tannery on campus. The University's expertise in leather and footwear means you will learn skills from some of the best designers in the business and experience the industry from 'Hide to High Street', positioning you as a unique and highly employable fashion graduate.

Northampton is also just one hour on the train from central London giving you easy access to the fashion capital of the UK. Fashion students have the opportunity to showcase their work at top fashion events as well as the University's own annual degree show. Many courses also include the opportunity to work on 'live projects' set by external contacts that allow you to get a real feel for what it is like to work for a client within the industry.

The facilities at the University equip you with everything you need to be successful in your degree. There are dedicated studios and a range of high-quality workshops for the production of two and three dimensional work. Photographic facilities include two large studios (one with daylight, and the other with artificial lighting). There are also two digital computer suites, the larger of which is a dedicated digital training room.

Each year all fashion students have the option to go on a study trip abroad. These have previously included visits to some of the most iconic and fashionable cities in the world such as New York, Milan and Paris.\*

As the fashion industry is very vast the University offers a range of different routes into the industry from design to communications and marketing. There is no design portfolio required to join the UNIC Foundation so whatever your preferred specialism is, read on to find out more.

**Alumni have gone on to work for the likes of Ted Baker, Dr Martens and Gareth Pugh.**

### BA (Hons) Fashion

- Internship opportunities whilst you study
- Develop a major collection to a professional catwalk standard in your final year.
- Opportunity to present your final year work on the catwalk at Graduate Fashion Week in front of established designers, journalists and bloggers.
- Previous students have won national and international design competitions.

### BA (Hons) Fashion Promotion and Communication

- Opportunity to work on projects in photography, journalism, styling and digital media.
- Study alongside fashion, footwear, accessories and textile design students to understand the context while you learn more about journalism and photography.
- Pursue work experience within these sectors including London-based establishments
- Journalism modules accredited by the BJTC (Broadcast Journalism Training Council).

### BA (Hons) Fashion (Textiles for Fashion)

- Explore textile application to enhance your fashion collections
- Develop skills in digital and screen printing, transfer print and laser cutting, embroidery and embellishment.
- Careers after graduation include the textile, accessories and garment design sectors for high street and high-end markets.

### BA (Hons) Footwear and Accessories

- Benefit from Northampton's connections with industry and learn skills from some of the best designers in the business.
- Develop your knowledge of leather and its design capabilities for fashion, footwear and accessories, using computer aided design (CAD) facilities.
- Opportunity for design apprenticeships with Church's Shoes
- Opportunity for co-ordinated work experience to give you a feel of what it's like to work in the fashion industry.

### BA (Hons) Leather for Fashion

- Bespoke facilities, including on-campus tannery
- Specialist module at the Institute for Creative Leather Technology (ICLT).
- Projects set by external contacts and sponsors and some projects will include consultancy groups.
- Learn how to take leather through the design and manufacturing stage for the production of leather garments.

\* Additional cost and visa not included in course fees.

**...And if you are interested in the business and marketing side of fashion...**

### BA (Hons) Fashion Marketing

- Explore the key theories and professional skills required to establish a career in the industry.
- Unique blend of Business and Fashion Division staff.
- Opportunity to work on consultancy modules as a group as well as individual projects which transition you from a student to an industry professional.
- Opportunity to gain vital professional experience and contacts at key events.

# BSc (Hons) Health courses.

Everybody needs healthcare, so well-trained graduates will always be welcomed globally.

**The UK is home to one of the most renowned public health services in the world (the NHS), and as a student at the University of Northampton you will also benefit from experience in this globally recognised healthcare system.**

**11<sup>th</sup>**

**in the UK**

**for Health Profession subjects**

**(Guardian, 2017)**

At the University of Northampton not only do you get to benefit from annual placements and experience, you get to learn first-hand from a team of professionals with many years of experience in healthcare. That is just one of the reasons the University is ranked 11th in the UK according to the Guardian for Health Profession subjects.

Students who select the first three courses outlined in this section will have to submit a personal statement with their application. There will also be an interview process conducted by the University of Northampton that is compulsory for all students on these courses.

## **BSc (Hons) Mental Health Nurse Nursing**

A mental health nurse can make a positive contribution in people's lives and wellbeing. Their role is so important within the healthcare industry, especially as one in four people are likely to experience some degree of mental distress in their lifetime.

The Mental Health Nursing course at the University of Northampton takes you on a service user's journey within community and hospital settings, allowing you to see through the eyes of the patient.

- Opportunity to gain practical experience in a range of healthcare settings such as hospitals, the voluntary sector and other health and social care organisations within Northamptonshire and Buckinghamshire.
- Opportunity to complete a two week placement in a European city.\*

\* Cost and visa not included in course fee.

## **BSc (Hons) Occupational Therapy**

For those students with a passion for helping people with physical, mental or social difficulties, a career in occupational therapy is an exciting, varied and highly rewarding career. Despite what people think it is not just about caring for the elderly and can require support from people from all ages and walks of life.

- One of the longest established Occupational Therapy Schools in the country
- Over 75 years of teaching experience
- Compulsory placements on each year of the course with the University
- 10th in the UK and Top 5 for Student Satisfaction (Complete University Guide, 2017)
- Affiliated by the World Federation of Occupational Therapists
- Links with Hong Kong Polytechnic and JAMK University, Finland.

### BSc (Hons) Podiatry

If a career in Podiatry is something that excites you then UNIC and the University of Northampton is an excellent first step. Not only will you benefit from clinical placements, the university has its own Podiatry Clinic.

- Clinical activity and placements to help to transform you into the highest quality practitioner
- Teaching clinic on-site at the Northampton General Hospital
- Opportunity to attend to injuries at the iconic London Marathon
- Upon completion you will be equipped to establish and run your own clinical practice and will have acquired the skills needed to apply for a wide variety of work opportunities both in the UK and overseas.

### BSc (Hons) Psychology and Counselling

If you are interested in pursuing a career in counselling or counselling psychology, this course is one of only a few national programmes that is designed specifically for you.

- No personal statement or interview needed to apply for this UoN degree
- Accredited by the British Psychological Society (BPS). This is the first step towards becoming a Chartered Psychologist
- Various volunteering opportunities, careers events, workshops, and research placements
- Counselling modules will be taught by experienced counsellors and therapists.

Students applying for Mental Health Nursing, Podiatry and Occupational Therapy need an IELTS of 6.0 (with minimum 5.5, in each band) or one of the English language requirements below. The full list is on our website.

Country	Academic qualifications	English proficiency:
UK/ International	5 x A-C GCSE passes including Maths and a Science subject. International – A/AS level / minimum UCAS 36 points with Maths and a Science subject.	GCSE/IGCSE/O level – grade C or A level – grade D.
China	Successful completion of Senior Middle School 2 with minimum 75% (mandatory Maths and Science subject).	N/A
Ghana	5 x C6 grades or above from WASSCE/NECO including Maths and a Science subject.	WAEC C6
Hong Kong	60% in Form 4 & 5 or 2,2,2 in HKDSE. Must include Maths and a Science subject.	HKDSE 3 (with all 3 components at grade 3).
India	Completion of All India or State SSC (X) with 50% average including Maths and a Science subject.	Standard 12 – 65%
Nigeria	5 x C6 grades or above from WASSCE/NECO including Maths and a Science subject.	WAEC/NECO C6
Zimbabwe	5 passes at ZGCE O level at minimum grade E	O level grade C

\* Students progressing on to Occupational Therapy, Podiatry, or Mental Health Nursing will have to complete the 'Interactive Learning Skills and Communication' module with at least 80% to demonstrate they are at the equivalent to IELTS 7.0 by the time of progression to UoN.

# First Year of a degree course.

**UNIC can also provide you entry to the First Year of your chosen degree so that you complete your degree in three years. You will study your first year at UNIC before completing your second and third years at the University of Northampton.**

**Cost:** £10,900

**Duration:** 2 semesters

**Intakes:** January and September

Please see the website for exact intake dates for each course.

The UK Education system can be very different when you come from an international study background and therefore this option will give you a softer landing to your university studies, helping you to excel when you do progress onto the University.

Take a look at the entry requirements pages to see if you are eligible to take advantage of this option.

## **Business and Entrepreneurship**

- BA (Hons) Management
- BA (Hons) Business Entrepreneurship
- BA (Hons) Business Studies
- BA (Hons) International Business
- BA (Hons) Events Management

## **Marketing and Advertising**

- BSc (Hons) Marketing Management

**“ Studying a business pathway at UNIC has really helped me develop skills that I know will benefit me when I start my degree at the University. The course is very informative and being at UNIC has helped me to make many friends from all over the world. ”**

Nikita Silantev, Russia, BA (Hons) International Business.

### **BA (Hons) Advertising and Digital Marketing**

This is an exciting time to enter the marketing communication industry; as it has been transformed by the digital revolution. On this exciting and creative course you will have the opportunity to work across a wide range of digital platforms as well as traditional media as you develop and execute real marketing campaigns as part of your course.

From start-ups to big businesses, from social enterprises to charities and the public sector, this discipline offers careers in a wide range of industry sectors.

- Opportunity to pitch to clients of a top global agency, providing practical preparation for work in advertising and digital marketing roles
- Regular guest speakers and industry visits
- Work on real projects with real marketing budgets, operating as an extension of a marketing department even in the first year at the University
- Experience working within brand guidelines, sometimes appointing suppliers such as photographers or design agencies to deliver your project.

### **BA (Hons) International Business**

Globalisation and the growth of international trade means a career in International Business is becoming increasingly more essential to modern day business.

With UNIC and the University of Northampton you will develop your knowledge and understanding of how business operates across national borders, and prepare yourself for a career in an international or ethnically diverse business context.

- Opportunity to go on an expense-paid trip to Asia in the second or third year of study.\* Previous visits have included China and Vietnam.
- Other extracurricular activities as part of the course include theatre trips, guest lecturers from business professionals and visits to both local and foreign businesses.

\* Trip includes travel and accommodation. Students could be asked to make a contribution and must be responsible for their own spending money. UNIC and the University of Northampton cannot be responsible for visa refusal.

# Pre-Master's courses.

**Studying a Master's can considerably improve your career prospects as you become even more specialised in your chosen subject. If you want to study a Master's degree but don't have the required qualifications, then UNIC's Pre-Master's option is perfect for you. The programme is just one semester and designed to develop your knowledge and understanding of basic principles relevant to your chosen Master's degree. You will also develop your intellectual, practical and communication skills to support you in your onward studies and future career.**

**Cost:** £6,500

**Duration:** 1 semester

**Intakes:** January, September and May

Please see the website for exact intake dates for each course.

**“ UNIC for me has helped me become more confident and it definitely won't feel as strange now going to the university. The lecturers are helpful and supportive and really help with any problem or question you have. ”**

Elnara Gafarova, Uzbekistan, MBA.

### **MBA**

An MBA is recognised throughout the world for providing ambitious and motivated graduates with the skills necessary to take their careers to the next level.

At the University of Northampton it gets even better because as an MBA student you will get the opportunity to apply for a paid work placement as part of your studies, spending up to one year in an industry position.

- Work placement included in your study visa
- Make contacts required to forge a highly successful career
- No work experience required to apply
- Support from the University in finding and securing a placement opportunity
- Gain prestigious CMI qualifications while studying for your MBA.

Placements are competitive and there is no guarantee of a placement offer being made by the employer. During a work placement, you will attend two full day workshops held at the University and will undertake a research project based on the organisation in which you are working. If you are unsuccessful in securing a placement you will automatically be transferred onto a module that will make up the required credits to complete the MBA. If you are transferred onto this module then you will complete your MBA within 12 months.

### **MSc Public Health**

From growing rates of obesity to climate change and the advent of new diseases, public health is everyone's business.

This postgraduate programme has been designed to support you to advance your critical awareness and problem solving skills in order to come up with new approaches to meeting a society full of challenging and complex health needs.

- Opportunity to undertake a volunteering post within a Public Health environment
- Shared learning with other professionals is a key focus for this particular Master's degree to encourage inter-professional learning
- Course uses a range of teaching methods such as core lectures, group work, online activities and the use of case studies
- Designated modules allow you to make the MSc suit your own experience and specialism. This Master's is as much about finding your own passion within the sector
- Sessions for the University's Centre for Employability and Engagement embedded within the course.

# Your English language preparation.

**Studies at UNIC and the University of Northampton are undertaken in English and to gain admission you must be able to demonstrate that you have achieved a suitable level of English language proficiency. To do this you must obtain one of the results shown on the table.**

If you do not meet the English requirements for your chosen course, it may be possible to study Pre-sessional English at the University of Northampton before you start your course with UNIC. The programme will help develop your competence and confidence using English in an academic setting.

Upon successful completion of your Pre-sessional English course you will then join your chosen academic programme at UNIC.

Specifically, the course aims to help you to:

- Improve your knowledge of the grammar, vocabulary and functions of English.
- Improve your understanding of the relationship between the language and the culture in which it exists.

- Build your knowledge of and competence in Academic English.
- Take part in social activities and make friends. This will help you to adapt to UK culture.

You will need a UKVI\* approved IELTS to apply for the Pre-sessional English and must also hold a UNIC conditional offer letter. Full details of dates, course lengths and fees can be found here:

**[unic.navitas.com/programmes/pre-sessional-english-courses](http://unic.navitas.com/programmes/pre-sessional-english-courses)**

\* UK Visas and Immigration (UKVI).

Engineering, Science & Healthcare and Leather Technology applicants must include Maths and a relevant Science subject at the required level. Business, Marketing and Accounting applicants must include Maths at the required level. Selected courses require additional qualifications. This applies to our Foundation Science and Healthcare courses. Please see Healthcare page or UNIC website for full details. Entry requirements subject to change. Contact [info@unic.northampton.ac.uk](mailto:info@unic.northampton.ac.uk) for further details.

# Accommodation.

**It's never easy to leave home for the first time, so you need to know that when you arrive at university you won't need to worry about where you will be living. The accommodation options at the University of Northampton have been specifically designed with you and your fellow students in mind.**

We want you to be as comfortable and happy as possible, which is why we have a number of accommodation options available to ensure you get the best possible experience when you arrive in Northampton. Once you have accepted your offer, our Student Services team can help arrange your accommodation to suit your needs. If you have any preferences or questions then you can contact [accommodation@unic.northampton.ac.uk](mailto:accommodation@unic.northampton.ac.uk)

Many students choose to stay in halls of residence as they are affordable, convenient and an easy way to make friends. A number of UNIC students currently live in our official halls, Moulton Residence, located around ten minutes from the University campus by a free bus. A supermarket, post office and a range of restaurants and eateries are all within walking distance.

All bedrooms are spacious, modern and complete with a private en-suite bathroom. A communal kitchen/living area is shared with six to seven flatmates and there is also access to a student social area, sports facilities, study rooms and an on-site convenience store.

UNIC's Moulton Residence is excellent value for money at just £130 per week and includes:

- 24/7 security
- On-site café, restaurant and bar
- Laundry facilities
- On-site parking, subject to availability
- Gym and swimming pool, subject to additional cost
- FREE Wi-Fi internet
- FREE utilities
- FREE weekly room cleaning service
- Free security card for flat access

You can also select whether to receive a welcome pack for an additional fee. This will be waiting in your room on arrival and includes a duvet, pillow, sheet, bedding, cutlery, cooking utensils etc. This means you won't need to head straight to the shops when you arrive in the UK.

To apply, please complete the Moulton application form on the UNIC website.

Student bedroom, Holcot Residence, Moulton Residence.

The Holcot Centre, Moulton Residence.

'The Loft' Social Area, Moulton Residence.

### Private accommodation

Although we encourage our students to choose UNIC recommended accommodation, we understand not everyone wants to live in a student residence, therefore we also provide students with information that will help them research their options.

Northampton has many letting agents specialising in student accommodation. The Student LETS Team in the Students' Union provides a service to assist you in finding your house or flat. Find out more at

[northamptonstudentpad.co.uk/accommodation](http://northamptonstudentpad.co.uk/accommodation)

### On-campus accommodation

There are often on-campus rooms available for UNIC students depending on availability. Please contact the UNIC Accommodation Team if you want to explore this option.

### Under 18s

For those students joining UNIC who are under 18 years of age, the accommodation option is to live with a family member already known to them or a host family.

UNIC works closely with Hosts International who provide homestay accommodation with local families in Northampton.

Homestays offer single rooms or twin shared rooms (for two persons travelling together), shared bathroom and use of the family home as a family member. A choice of two meal plans are available; either self-catering room only or half-board (breakfast and evening meal) which is advised for all students. Minimum duration for homestay is two weeks but it is advised that students book for at least one term.

The cost of homestay is £145 per week for self-catering and £165 per week for half-board for single rooms. Homestay bookings are processed through the UNIC Accommodation Team.

For the most up-to-date information about accommodation please go to the UNIC website, [northampton.ac.uk/unic](http://northampton.ac.uk/unic)

# Fees.

**Tuition fees cover the cost of your academic studies. These differ depending on the course type and mode of study, but usually include teaching costs, registration and examination fees (some courses may have additional examination charges).**

## Tuition Fees for UNIC 2018/19 Academic Year

UNIC pathway	Fee	Duration
Foundation (all subjects)	£9,800	Two semesters
First Year of a degree (all subjects)	£10,900	Two semesters
Pre-Master's (all subjects)	£6,500	One semester

## Tuition Fees for the University of Northampton 2018/19 Academic Year

Undergraduate	Fee
BA/BSc/LLB	£12,000 per year
BSc (Hons) Occupational Therapy and BSc (Hons) Podiatry	£13,000 per year
BSc (Hons) Mental Health Nursing	£15,000 per year

Postgraduate	Fee
MA/MSc/LLM	£12,200
MBA/MBA (with optional work placement)	£13,500

All fees are subject to change. Tuition fees quoted are 2018/19 levels and will be subject to inflationary increase in future years. Go to [northampton.ac.uk/study/courses](http://northampton.ac.uk/study/courses) for the most up-to-date information.

# Living costs.

We are proud to offer excellent value for money when it comes to your cost of living. Despite being only one hour away from London, Northampton is able to offer accommodation that is significantly cheaper than many other UK locations. Guidelines from UK Visa and Immigration state that an international student living in Northampton should have at least £1,015 per month to cover their living expenses.

“I have enjoyed living in halls of residence as I believe it is one of the best ways to meet people who are in the same situation as you. The rooms in Moulton are very spacious and it is a really nice environment. There are great links to the University in the week so I would definitely recommend it.”

Mary-Jane Okpala, Nigeria,  
BSc (Hons) Human Bioscience.

**Shane Alam,  
India.**

**BSc (Hons)  
Leather Technology**

---

**“Not only does UNIC support your studies, they organise activities and trips that go above and beyond making your experience in the UK even better. For me, UNIC is the best possible start in the UK and I will be forever thankful to them.”**

---

# **Kadejah Lamptey, Ghana.**

## **BA (Hons) International Business**

---

**“I was pleasantly surprised by the warm welcome from the Reception staff. It was as if they had known us for years. Within minutes of arriving at UNIC I was given the opportunity to make friends with people from different countries and cultures. We instantly became like a family.”**

---

**Aziz Erdem,  
Turkey.**

**BA (Hons)  
International  
Business**

---

**“My experience at UNIC has been better than I ever imagined it would be because I feel so at home here. I would recommend it to anyone who wants to pursue their studies in the UK.”**

---

# Sayyada Master, Tanzania.

## BSc (Hons) Occupational Therapy

---

**“I think UNIC is a really good transition to the University of Northampton as you get to experience the campus and the student life before you start your course. The college has helped me to progress and brought me one step closer to fulfilling my dream of becoming a qualified Occupational Therapist. For that I will always be grateful!”**

---

# How to apply.

You can apply at any time on our website. Simply go to [northampton.ac.uk/unic](https://northampton.ac.uk/unic) and click the 'Apply Today' button in the top right of the screen.

This will take you to the form and then you will need to go through the process in order to submit your application. Please make sure you have important documents with you such as your passport number, your academic qualifications and evidence of English language ability (IELTS or equivalent).

Once this has been submitted it will be assessed by a member of our Admissions Team who will get back to you regarding the next stage.

If you have any questions or require any further information then please contact [info@unic.northampton.ac.uk](mailto:info@unic.northampton.ac.uk)

## Education for your world

Navitas provides you with the education you need, to get where you want to be in life. From English language skills and courses to help you enter university, to training for the workplace, Navitas colleges and campuses in 28 countries will support you every step of the way.

With over 120 Navitas and SAE Institution locations across the globe, and over 80,000 students currently studying with us, we understand the world's learning needs. We've become one of the most trusted providers of education and training in the world.

Navitas offers to students, professionals and migrants from around the world, the following opportunities:

- English language training
- High school studies
- University preparation and programs
- Post-secondary education for creative media technology
- Career advancement programs
- Student recruitment
- Internship programs
- Migrant settlement services

We also offer customised workplace training for companies, and a range of training and settlement services for the Australian Government. Wherever you are, and wherever you want to be, the knowledge and resources of our staff around the world will ensure your success.
