Pathways at the
THE UNIVERSITY OF NORTHAMPTON
2017
Northampton, United Kingdom
INTERNATIONAL STUDENT GUIDE
Welcome to the University of Northampton International College (UNIC)

- UNIC is your personalised start to university study, with small class sizes and a supportive learning environment to help you succeed.

- UNIC provides full access to the University of Northampton’s facilities and services including sports and social clubs as well as employability skills workshops.

- The University of Northampton boasts an impressive 95% graduate employment rate for five years running.*

- Northampton is a fantastic central location. Situated in the beating heart of the UK, it is just one hour from London and also close to the cities of Birmingham, Oxford and Cambridge.

* HESA Destination of Leavers from Higher Education (DLHE) 2010/11-2014/15. 95% or more full-time first degree leavers in work and/or further study 6 months after graduation from the University of Northampton.
Welcome

Message from the Acting College Director/Principal

I would like to extend a very warm welcome and I am delighted that you are considering UNIC as your pathway to degree studies at the University of Northampton.

UNIC will provide you with a quality educational experience, underpinned by practical and study skills that will ensure you are ready for the world of work. UNIC’s partnership with the University of Northampton provides a wonderful opportunity and together we will ensure that every student reaches and exceeds their potential. We aim to ensure that UNIC students become confident and independent learners who have the skills and knowledge to succeed at the University of Northampton and beyond.

At UNIC we believe in creating a safe, friendly and caring environment where there is a great understanding of the needs of international students. Part of our commitment to you is to provide you with the tools you need to be successful in your new environment, both academically and socially, and we will help you to open your mind to different cultures, ideas and ways of thinking and doing things. Our high quality service focuses on your individual needs and will allow you to give your very best. This support will be provided every step of the way by our dedicated academic and student support staff. Welcome again to UNIC and, together with all of the staff here, I look forward to helping you to achieve your academic and career goals.

Craig McIlwain
Acting College Director/Principal, UNIC

Message from the Vice-Chancellor of the University of Northampton

Welcome to the University of Northampton International College, an integral part of the University of Northampton, an award-winning University dedicated to making sure you receive an excellent experience that will enhance your life skills, knowledge and employability.

According to official figures published in July 2016, 95% of our students are in work or further study six months after graduating – a figure we have maintained for the last five years.*

Whatever your motivation for choosing to go to University, your time at UNIC will give you more than just a good qualification. We blend excellent teaching with practical experience, alongside work placements and volunteering opportunities designed specifically to develop your creative thinking and equip you with the skills you need to make a positive impact on the world.

I wish you every success in your chosen qualification and look forward to welcoming you to Northampton.

Professor Nick Petford DSc
Vice Chancellor, The University of Northampton
@nick_petford

The University of Northampton: Transforming lives, inspiring change

The University of Northampton offers more than just an excellent degree. Their global reputation for producing graduates with exceptional employability, combined with academic excellence and a vibrant campus life, makes the University of Northampton the number one choice for your future and for your career.

A well-ranked and groundbreaking institution, the University of Northampton has firmly established itself as one of the leading forerunners in modern teaching. It is consistently ranked among the UK’s best universities for providing graduates with the skills and experience needed in today’s highly competitive world of employment.*

Everything you do at the University of Northampton has been specifically designed by academic and industry experts to prepare you for life after graduation and to make you a highly employable and sought-after global citizen.

According to the latest statistics, an outstanding 95% of students have gone on to further study or started a job and embarked upon their careers within just six months of graduating from Northampton.*

There are even courses that boast a 100% graduate employment rate, which is testament to the expertise of the University of Northampton’s staff and the skills they will provide you with. Those skills will stay with you for the rest of your life and will be the building blocks for the start of your career.

Your studies at the University of Northampton will provide you with the opportunity to undertake valuable work placements, forge networks with industry experts and develop your academic, social and personal skills in a thriving and innovative environment.

The University of Northampton is committed to creating a new campus in the heart of Northampton and the £330m Waterside Campus will open in September 2018. Close to the town centre, it will provide academic facilities for 15,000 students, a variety of accommodation options and social facilities.

Fact Spotlight:
- The University of Northampton boasts an impressive 95% graduate employment rate*
- £330m Waterside campus opening in September 2018
- At the cutting edge of social innovation, the University of Northampton became the first Changemaker campus in the UK, providing unique experiences that help students and graduates stand out from the competition.

More information can be found at ashoka.org.

*See employability information on inside front cover
Why choose UNIC?

UNIC will provide you with an outstanding and personalised start to your university studies, enabling you to maximise your potential and to make the most of life as a student of the University of Northampton.

Full University of Northampton access
UNIC students are University of Northampton students, meaning you will have full access to the huge range of facilities that this fantastic university has to offer. This includes an active and exciting Students’ Union, a cutting-edge library, top-of-the-range computer facilities, an award-winning employability service and an enormous range of sports and social clubs.

One offer – one visa
You will receive one offer letter and one visa for your entire duration of studies at both UNIC and the University of Northampton. You are also guaranteed to progress from each stage of your studies to the next as long as you achieve the standard pass mark.

Small class sizes
UNIC classes contain less than 30 students, enabling you to experience a supported learning environment and increased contact time with your teachers and professors. Additional support is also available outside of class if you require it and the UNIC teaching team have extensive experience when it comes to helping you to settle into studying in the UK and succeeding at your university studies.

Flexible entry options
UNIC offers intakes in January, May and September, enabling you to begin your university studies when it suits you and meaning you can complete your degree quicker than students using the traditional UK academic entry system.

Student services
We understand that studying away from home is an exciting, challenging and life-changing experience, which is why we have a full support team based at UNIC to help with all your needs – both in and out of the classroom. Whether it’s accommodation, finding new friends, joining a club or getting extra help with your studies, we’ve got it covered.

Student Life: Your UNIC, your university, your experience

Life at UNIC and the University of Northampton will provide you with everything you need as a student and more. Located on the Park Campus, there is a strong sense of community and a friendly campus atmosphere. Students can study in the social learning spaces at UNIC or use any of the university facilities as and when required.

UNIC has its own location on campus with modern classrooms, a learning technology suite, Student Services and a social learning space purpose built just for UNIC students. Park Campus is spacious, easily accessible and full of greenery. The buses run regularly throughout the day and are free between campuses. Amenities include a range of coffee shops, a bar, newly refurbished restaurant as well as libraries, sports facilities and computer rooms. There is also a shop and hotel on-site.

The Students’ Union
The University of Northampton has an active Students’ Union that UNIC students automatically become a part of upon enrolment to the college. It is one of only two Students’ Unions in England to offer FREE sports and societies to all students and with over 70 to choose from there is sure to be something to suit you. The Students’ Union is staffed by a number of full-time officers, many of who were University of Northampton students themselves.

Careers Guidance
Through the University of Northampton’s Centre for Employability and Engagement you will receive all the support you need to develop the professional and personal skills needed to be successful within your chosen career path. Careers advice, CV checks, mock interviews, workshops, work placement support and regular networking with local employers are all available for students to access. With this great service you can be sure the University of Northampton can help to enhance your employability skills before you graduate.

UNIC Social Events
As well as the activities and events organised by the Students’ Union, UNIC also organise their own social events. These are run and advertised by the Student Services team and will include everything from films and games nights to day trips and sports activities.

Student Voice
As a UNIC student your voice matters and your experience is very important to us. There will be a number of opportunities - both formally and informally throughout the year to provide the college with feedback. Students are encouraged to get involved or even lead in engagement with the college to improve services for the better.

“Being a UNIC student has been everything I imagined and more. The lecturers really care about our progress and make sure we are achieving at the best possible level.”

Emmanuel Pepple, Nigeria  BEng (Hons) Mechanical Engineering
University of Northampton, Park Campus
Northampton – the beautiful, beating heart of the UK

Perfect location
Northampton is located in the very centre of England, approximately one hour on the train from London and also close to the cities of Birmingham, Oxford and Cambridge. Served by five international airports and with excellent road and rail links to all parts of the UK and Europe, it’s the perfect location to live, to study and to explore.

Northampton and its surroundings offers something for everyone. Whether you are looking for beautiful countryside to a thriving arts and music scene, Northampton has it covered.

Renowned for shoe-making since the Middle Ages, Northampton has a rich history and is home to some of the world’s top shoe manufacturers.

Fact Spotlight:
• Boost your CV by applying for work experience at Carlsberg, Barclaycard, Avon or one of the other global brands with offices in Northampton
• Bicester Village, one of the UK’s most popular tourist destinations and the place to buy massively reduced luxury brands such as Gucci, Prada and Jimmy Choo, is just a short distance away
• Jump on a train to London and visit your friends for the weekend – only a one hour journey or less
• Northampton is home to Silverstone motor racing circuit where you can watch the British F1 Grand Prix
• Jessie J, Little Boots, Kate Nash, Catfish and the Bottlemen and a whole host of others have recently performed in Northampton. Lots more are due soon!
• Visit nearby Althorp House, the family home where Princess Diana grew up

More for your money
Northampton is a relatively economical place to live compared to other places in the UK. This means that you can pocket the savings to make your study experience as cost-effective as possible or you can spend the extra money on one of the many awesome nearby attractions.

So much to do
With everything from Premiership rugby, a purpose-built athletics stadium, motor racing and a white-water rafting centre, high-energy living is on offer around the clock in Northampton. The town also boasts a fantastic range of authentic British pubs, live music venues, night clubs and restaurants to suit all pockets and tastes.

Focus on BSc (Hons) Leather Technology

Do you want to spend your career working with the luxury high-end manufacturers and designers of shoes, handbags, clothes, furniture or even sports car interiors? Do you want to get paid to travel the globe with some of the world’s most famous and iconic brands?

If the answer is yes to any of the above then the University of Northampton’s unique and world famous BSc (Hons) Leather Technology is for you. The only course of its kind in the UK and Europe, Leather Technology is taught by industry experts and professionals. The skills and expertise developed in this degree are so specialist that graduates often get job offers before even graduating.

This pathway provides a complete preparation for entry into the leather industry, which includes companies in the sports, luxury goods, footwear, automotive and fashion sectors. Graduates are in high demand as the course involves a large proportion of practical experience in the University’s own on-site teaching tannery and laboratories. The close relationship with industry means that you will frequently be working with senior executives from leading brands, many of whom will themselves be graduates from the programme.

This innovate and exciting degree is based around a backbone of advanced leather technology and the three streams available, Leather Science, Marketing and Business, enables you to specialise in order to tailor your chosen career path.

Fact Spotlight:
- This course is not offered anywhere else in the UK
- Close links with global luxury brands including Aston Martin, Rolls Royce, Church’s and Barker Shoes
- Marketing specialisation available – the perfect preparation for a career with one of the world’s top fashion labels
- Take part in the annual course visit to Italy*

* Additional fees and visa not included in programme fees.
Choose your course (continued)

Focus on BSc (Hons) Occupational Therapy

Do you have a passion for helping people who have physical, mental or social difficulties? Could you make a real difference to someone’s overall quality of life? Are you interested in supporting someone who has had an accident, illness or who has become restricted because of old age?

Occupational Therapists play a huge role in supporting patients from all ages and walks of life to live independently and are a central part of anyone interested in a career in the healthcare profession. The University of Northampton has one of the longest established Occupational Therapy schools in the country and offers a range of exciting local, national and even international placement opportunities.

This degree will fully prepare you for a career in Occupational Therapy through a mixture of practical activities, lectures, placements and independent study. As part of the course you will experience working with patients with both physical and mental difficulties so you can discover for yourself where your strengths lie within the sector.

After successfully completing your pathway at UNIC you will undertake a placement on each year of the course with the University of Northampton. The academic staff fully support students to secure the placement of their choice. All placements are unpaid and are assessed as a standalone module counting towards your overall degree classification.

There are a variety of work placements on offer each year across a whole host of settings. Previous placements include work in the mental health sector, the NHS, charities, brain injury wards and even a prison.

Practical rooms including a fully equipped kitchen, bedroom and shower room allow students to practice techniques and do demonstrations whilst still on university campus.

This course is not just about gaining a better outcome for your degree but gaining relevant experience for your future career.

Fact Spotlight:
- Practical experience through annual placements
- Ranked 11th in the UK for Health Profession subjects (Guardian, 2017)
- 100% student satisfaction (National Student Survey, 2016)
- Placement opportunities with Hong Kong Polytechnic University, and JAMK University in Finland
- Celebrated 75 years of teaching in 2016
- Affiliated to the College of Occupational Therapists and World Federation of Occupational Therapists
Focus on BSc (Hons) Business Computing

The Internet, web, and social media are vital to our personal and business lives. The pace of technological advancement means the need for skilled and qualified Business Computing graduates are in high demand within modern day business.

This fantastic undergraduate pathway allows students to choose whether they want to focus on Systems or Web Design depending on their interest within the industry.

The Systems pathway draws on a range of skills, from technical development to commercial and managerial, exploring design, technological developments and management. Students will focus more on the foundations of systems analysis, programming and databases.

The Web Design option would suit students interested in ecommerce, web marketing, web development or management as it looks more into the creative side of web systems and how they can support successful businesses.

Both courses have a very practical focus. This pathway will equip you with the skills and knowledge needed to be successful on the course ensuring you are ready to be part of this exciting industry.

Fact Spotlight:
- Emphasis on hands-on practice and experience
- Employability and industry focused
- Flexible programme and study route
- Dedicated server support for your website and database work
- Support from the computing society who provide talks and activities throughout the course
- Computer Science subjects ranked Top 10 for student satisfaction in both the Guardian University League Table 2017 and the Complete University Guide 2017
Choose your course (continued)

Stage 2: First Year of a Degree Pathway Options

UNIC is able to provide entry to the first year of your chosen degree programme in a wide range of subject areas. You will study the first year with UNIC before completing your second and third years at the University of Northampton. Take a look at the entry requirements on page 18 to see if you’re qualified to take advantage of this option.

- Students of BA (Hons) Events Management have recently undertaken work placements at the Olympic Games, Wembley Stadium, Glastonbury and Silverstone F1 circuit
- Visit New York as part of your BSc (Hons) Marketing Management or BA (Hons) Fashion Marketing degree programme*
- Gain invaluable CIM qualifications while studying the BSc (Hons) Marketing Management degree
- You will receive one visa for all three years of your studies at UNIC and the University of Northampton

* Additional fees and visa not included in programme cost. † £10,500 from September 2017 onwards
Focus on BA (Hons) Fashion Marketing

The fashion landscape is continually changing and this creative, thrilling and innovative degree will provide you with the marketing skills needed to succeed in the competitive and rewarding world of fashion.

This is the perfect course for anyone interested in the business side of fashion. Over the course of your studies you will develop valuable knowledge and understanding of the application of this unique form of marketing. During the last two years of your degree you will have the opportunity to gain vital professional experience and contacts at key events including London Fashion Week, Graduate Fashion Week, The Clothes Show Live and New Designers.

The BA (Hons) Fashion Marketing degree draws upon the academic strengths of the University’s Marketing and Fashion programmes to provide an extensive depth of knowledge of industry-relevant skills.

In Stage 2 Fashion Marketing students have the option of visiting the fashion capital, New York. This unique experience takes you behind the scenes of some of the world’s leading fashion retailers, brands and trend authorities serving the fashion and creative industries.*

Graduates of this course have gone on to work for top beauty brands. For example, Kelly McDonnell, is now the Director for Global Social and Digital Marketing at Estée Lauder.

Fact Spotlight:
- BA (Hons) Fashion Marketing students have previously taken advantage of opportunities to work on prestigious events such as London Fashion Week, The Clothes Show Live, London Bridal Fashion Week – all as part of their studies
- Optional study trip to New York City*
- Students on this degree have previously undertaken work placements with the likes of Tommy Hilfiger, Avon or John Lobb
- Make yourself highly employable with this unique combination of fashion and business.

* Additional fees and visa not included in programme fees.

‡ September intake not available for these courses  § September intake only for these courses
Focus on MBA with optional work placement module

An MBA is recognised throughout the world for providing ambitious and motivated graduates with the skills necessary to succeed in life. At the University of Northampton it gets even better because MBA students have the option to apply for a paid work placement as part of their studies, spending up to one year in an industry position. This work placement, which is included in your study visa, will give you the vital skills, experience and contacts required to forge a highly successful career.

You do not need any work experience to apply for the MBA and, as a graduate of this highly respected programme, you will join a community of influential tutors, business professionals and MBA alumni that spans the globe.

The placement option is available on the MBA programme for full-time, on campus students only. A placement should last between six and 12 months, must be appropriate to the level of study and must be paid.

Students will be supported in finding and securing a placement opportunity, but it must be noted that placements are competitive and there is no guarantee of a placement offer being made by an employer. During a work placement, students attend two full day workshops held at the University and will undertake a research project based on the organisation in which they are working.

Students who are unsuccessful in securing a placement within the first nine months of their programme will automatically be transferred to the University’s business research project module to gain the required credits to complete the MBA. This will be taught in three full day intensive workshops and supported with one-to-one supervision. Students will have approximately three months to work on their project and will complete their MBA programme within 12 months.

Fact Spotlight:
• Apply for a paid one-year work placement as part of your MBA studies
• Join the MBA direct from your undergraduate degree – no work experience is required
• Gain prestigious CIM and CMI qualifications while studying for your MBA

Focus on MSc Public Health

From growing rates of obesity to climate change and the advent of new diseases, public health is everyone’s business. This postgraduate programme has been designed to support students to advance their critical awareness and problem solving skills in order to come up with new approaches to meeting a society full of challenging and complex health needs.

Shared learning with other professionals is a key focus for this particular Master’s degree to encourage inter-professional learning. The course also uses a range of other teaching methods such as core lectures, group work, online activities and the use of case studies.

The MSc consists of five compulsory modules, and two designated modules. Designated modules allow students to make the MSc suit their own experience and specialism. This Master’s programme is as much about finding your own passion within the sector.

Your Pre-Master’s with UNIC will fully prepare you for the course, equipping you with the research and analytical skills needed to succeed at the University.

If you believe passionately about improving and protecting people’s health and wellbeing, then public health is the profession for you and there is no better time to join this rewarding and ever-changing career path.

Fact Spotlight:
• Opportunity to undertake a volunteering post within a Public Health environment
• Voluntary Placement module gives students the option of volunteering for a minimum of 50 hours
• Embedded within the course are sessions from the University Centre for Employability and Engagement who offer support and advice to students for CV writing, interview techniques and help with locating a volunteer placement
Your English language preparation

Studies at UNIC and the University of Northampton are undertaken in English and to gain admission you must be able to demonstrate that you have achieved a suitable level of English proficiency. You can do this by obtaining one of the results shown in the table below.

Pre-sessional English courses

If you do not meet the English requirements for your chosen course, it may be possible to study Pre–sessional English at the University of Northampton. Upon successful completion of your Pre–sessional English you will then join your chosen academic course at UNIC.

The programme is designed to help you develop your competence and confidence as users of English in an academic setting. In addition, you will become familiar with the culture of UK Higher Education and will be equipped with the tools to help you succeed in your undergraduate or postgraduate studies.

Successful completion of the programme will demonstrate that you have satisfied UNIC and the University’s English Language requirements in order to be successful on your chosen course.

You will need a UKVI approved IELTS to apply for the Pre–sessional English and must also hold a UNIC conditional offer letter. Full details of dates, course lengths and fees can be found on the UNIC website under courses.

Jefferson Moses, Cameroon
BEng (Hons) Electrical and Electronic Engineering

“The pre-sessional English course, through the University of Northampton was very useful. It has given me the confidence needed for my foundation course at UNIC allowing me to speak more freely and confidently to my lecturers and classmates.”

Engineering, Science & Healthcare and Leather Technology applicants must include Maths and a relevant Science subject at the required level. Business, Marketing and Accounting applicants must include Maths at the required level. Selected courses require additional qualifications. Entry requirements subject to change. Contact admissions@unic.northampton.ac.uk for further details.
Accommodation

During your studies with UNIC, it is important that you’re as comfortable and happy as possible, which is why we have a number of accommodation options available to ensure you get the best possible experience when you arrive in Northampton.

Moulton Residence
UNIC students have the opportunity to live at the fantastic Moulton Residence. This official UNIC halls of residence option is around ten minutes from the University and is located in the stunning, safe and convenient village of Moulton. A regular free bus service provides easy access to UNIC and a supermarket, post office and a range of restaurants and eateries are all within walking distance.

All bedrooms are spacious, modern, fully furnished and come complete with a private en-suite bathroom. A communal kitchen and living area is shared with six/seven flatmates and there is also access to a student social area, sports facilities, study rooms and an on-site convenience store.

Other Moulton Residence facilities include:
- 24/7 security
- On-site café, restaurant and bar
- Laundry facilities
- On-site parking, subject to availability
- Gym and swimming pool, subject to additional cost
- On-site shop

UNIC’s Moulton Residence is excellent value for money at just £130 per week and includes:
- FREE Wi-Fi internet
- FREE utilities
- FREE weekly room cleaning service
- FREE security card for flat access

There is also the option to upgrade to a fully-catered meals package for only £70 per week, which can be paid for on arrival or as a pay-as-you-go option.

You can apply for a room at Moulton Residence as soon as you have accepted your UNIC offer and paid your tuition deposit. Students just need to complete the Moulton application form on the UNIC website.

The option of staying in on campus accommodation is available to students when they progress onto their university degree.

Private accommodation
Although we encourage our students to choose UNIC recommended accommodation, we understand that not everyone wants to live in a student residence, therefore we also provide students with information that will help them research their options. Whilst there are no purpose built student managed residences, Northampton has many letting agents specialising in student accommodation.

The University of Northampton Accommodation Team provides a service to assist you in finding your house or flat. Please go to northamptonstudentpad.co.uk/accommodation

Although steps are taken to ensure that the accommodation advertised is safe, the rooms and self-contained houses/flats are not inspected. You are strongly advised to ensure that the accommodation and the terms offered by landlords meet your needs before entering into a tenancy agreement.

More information and guidance can be found on the UNIC website where you can also download our Accommodation Guide.

Under 18s
For those students joining UNIC who are under 18 years of age, the accommodation option is to live with a family member already known to them or a host family.

UNIC works with Hosts International who provide Homestay accommodation with local families in Northampton.

Homestays offer single rooms or twin shared rooms (for two persons travelling together), shared bathroom and use of the family home as a family member. A choice of two meal plans are available; either self-catering room only or half board (breakfast and evening meal) which is advised for all students. Minimum duration for Homestay is two weeks but it is advised that students book for at least one term.

The cost of Homestay is £145 per week for self-catering and £165 per week for half board, for single rooms. Homestay bookings are processed through the UNIC Accommodation Team.
"UNIC and the University of Northampton is a great place to study. We are all like one big family. There is so much careers advice and support available to us that will really help us in the future."

Wing Leung, Hong Kong  BSc (Hons) Occupational Therapy

4) English proficiency
Please provide details of your English language qualification.

IELTS (Score):
Other (‘O’ Levels, Cambridge):

You must submit full academic transcripts/certificates and proof of English proficiency so that we can assess your eligibility for your selected study pathway. If these documents are not submitted with this form, we will not be able to process your application.

5) Disabilities/Special Needs
Please indicate below whether or not you will need any additional support or facilities. We will pass this information on to our Student Services team who will liaise with you to support you through the admission process and determine whether we and the university can meet your study needs.

☐ I have no known learning/physical disability
☐ I have a specific learning/physical disability

Please give details of any adjustments needed and attach further information as necessary:

6) Declaration of Criminal Convictions
Please indicate if you have any unspent convictions

☐ Yes ☐ No

You do not need to inform us of any spent convictions (as defined by the Rehabilitation of Offenders Act 1974). If you are not sure whether you should tell us about a previous conviction, you should seek further advice from a solicitor or advisory body.

7) Other information
How did you hear about UNIC? You may tick more than one box.

☐ Exhibition/seminar
☐ Internet
☐ Newspaper/magazine advertisement
☐ British Council
☐ Recommended by a UNIC representative (agent)
☐ Recommended by a friend or relative

Is your friend/relative a UNIC student? ☐ Yes ☐ No

Other: _____________________________________________________

8) Application checklist and declaration
We require the following section to be completed in order to process your application.

Check that you have:
☐ Completed all sections of the application form
☐ Read and understood the Conditions of Enrolment, including the Fee and Refund Policy within the brochure or on the website

Check that you have attached:
☐ Certified copies of your academic transcripts
☐ Evidence of your English language ability if applicable
☐ A copy of your passport and/or visa

I declare that the information I have supplied on this form is, to the best of my understanding and belief, complete and correct. I understand that the giving of false or incomplete information may lead to the refusal of my application or cancellation of enrolment. I give permission for UNIC to obtain official records from any educational institution that I have attended. I also authorise UNIC to supply any relevant official records to educational institutions to which I am seeking admission, to government bodies and to parents/sponsors if required. I understand that Course Fees are subject to review; I accept the conditions as laid out in the UNIC Payment and Refund Policy and accept liability for the payment of all Course Fees as outlined within. I understand that living expenses in the United Kingdom may be higher than in my own country and confirm that I am able to meet those costs. I hereby consent to UNIC disclosing my personal information to third parties in the manner set out in UNIC’s Privacy Policy, which includes:

• Disclosure to UNIC representatives (agents) acting on my behalf;
• Disclosure to the University of Northampton to facilitate progression from UNIC to the next stage of my studies;
• Disclosure to Navitas Ltd and its affiliates for the purpose of communication with regarding pathways and services offered by Navitas Ltd and its related companies.

Tick this box if you do not wish to receive information via SMS about your offer. ☐
