Turn your third-class degree into a Master's at the University of Northampton International College (UNIC)

Not ready to stop studying?

Studying a Master's can considerably improve your career prospects as you become even more specialised in your chosen subject. If you want to study postgraduate but don't have the qualifications to enter directly to the University then UNIC's one semester Pre-Master's could be for you.

A Pre-Master's with UNIC is taught on campus at the University of Northampton and will equip you with the skills needed to prepare you for progression onto your chosen Master's.

We are open to all international students, not just those who have previously studied at the University.

Course options include MBA, Business and Management, Logistics, Accounting and Finance, Law and International Relations, Computing, Tourism, Health and Social Sciences, Leather Technology plus many more.

UNIC Pre-Master's Fee
