

Hosts International Charter for Safe Working Practice Covid-19

Hosts International confirms that it complies with all governmental rules and guidance and will work to these standards when accommodating students in homestay and house share accommodations to provide safe COVID-secure accommodations.

Ensuring every homestay and house-share is COVID-free

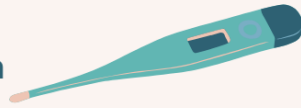

Ensuring homestay hosts are NOT classed as "Vulnerable"

Providing free access to good handwashing facilities

Asking all students to follow procedures set down in our Policy Documents if they find that they may have become infected

Checking every student and host before arrival

Issuing every student with a COVID awareness document on arrival

Applying government guidelines as they are announced

Providing safe car transportation if requested

Have a full COVID-19 Policy Document which is updated weekly

Having good clean accommodations and ensuring all shared facilities are safe and cleaned regularly

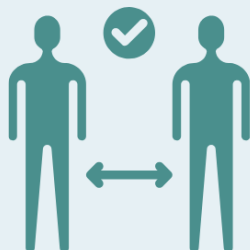

Only accommodating students on a safe basis

Having an emergency telephone number with a manager handling all calls

Recommending social distancing at all times in all accommodations and mitigating risk where this is not possible

We will listen to and immediately address any concerns any party may have.

We will continue to work with our clients on a personal basis, sharing good information and developing good practices where we can.
